**ECONOMIC DEVELOPMENT DEPARTMENT****NOTICE 454 OF 2018****RENEWAL OF THE POLICY DIRECTIVE ON THE EXPORTATION OF FERROUS AND NON-FERROUS WASTE AND SCRAP METAL****BACKGROUND**

On 10 May 2013 the Minister of Economic Development (the Minister) issued a Trade Policy Directive to the International Trade Administration Commission of South Africa (ITAC) in terms of Section 5 of the International Trade Administration Act 71 of 2002 (the ITA Act) on the exportation of ferrous and non-ferrous waste and scrap metal.

The Directive set out the policy in terms of which ITAC was to exercise its powers under the ITA Act in administering the exportation of ferrous and non-ferrous waste and scrap metal.

ITAC thereafter issued Export Control Guidelines, which give effect to the Directive.

The Directive stated that the policy will be in place for five years. It further noted that *“at the end of this period, it will be reviewed to determine whether it should be terminated or extended for a limited period, with or without amendment”*

**RENEWAL**

The Minister is considering renewing the Policy Directive for a period of 9 months, during which period he intends to finalise a review of the Directive, to determine whether it should be extended for a limited period, with or without amendment; or be replaced with a different measure to give effect to the intention behind the policy. The proposed renewal would ensure that there is no regulatory gap before a final decision is made on the continuation of the Directive, as set out above.

This notice is issued for public comment before the Minister decides whether to renew the Directive. Stakeholders and interested parties are invited to submit representations and comments in this regard.

Representations and comments must be submitted within a period of two weeks from publication of this notice, to the Minister of Economic Development for the attention of Dr Molefe Pule, e-mail: [Ministry@economic.gov.za](mailto:Ministry@economic.gov.za), Economic Development Department, Private Bag X 149, Pretoria, 0001 or hand delivered at 77 Meintjies Street, Block A, Utangamiri Building, 3<sup>rd</sup> Floor, Sunnyside, 0132

# **WARNING!!!**

## **To all suppliers and potential suppliers of goods to the Government Printing Works**

The Government Printing Works would like to warn members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to act on behalf of the Government Printing Works.

One of the ways in which the syndicate operates is by requesting quotations for various goods and services on a quotation form with the logo of the Government Printing Works. Once the official order is placed the syndicate requesting upfront payment before delivery will take place. Once the upfront payment is done the syndicate do not deliver the goods and service provider then expect payment from Government Printing Works.

Government Printing Works condemns such illegal activities and encourages service providers to confirm the legitimacy of purchase orders with GPW SCM, prior to processing and delivery of goods.

To confirm the legitimacy of purchase orders, please contact:
