ITAC office closure (Block D): New developments - COVID19 case at the DTIC CAMPUS

Dear ITAC stakeholders,

Kindly note that due to new developments relating to the suspected case of COVID19 at the DTI Campus reported on Monday 15 June 2020

The DTIC has arranged to fog and disinfect Block B and Block D. Part of ITAC is housed in Block D. It is expected that the building will be ready on Monday, 06 July 2020. ITAC's services in the Import and Export Control Unit (which is housed in Block D) have been affected for the remainder of this week. Until Monday, 06 July 2020, staff in Import & Export Control will be working from home.

Any queries in relation to the core business unit above should be addressed to the Import & Export Control senior manager, Marius Collins on MCollins@itac.org.za

We apologise to all our valued stakeholders for the inconvenience in this regard, we will advise accordingly when services resume.

Yours sincerely,

Meluleki Nzimande
Chief Commissioner
