INTERNATIONAL TRADE ADMINISTRATION COMMISSION

NOTICE OF AN INITIATION OF THE INVESTIGATION FOR SAFEGUARD MEASURES IN TERMS OF ARTICLE 16 OF THE AGREEMENT ON TRADE, DEVELOPMENT AND CO-OPERATION BETWEEN THE EUROPEAN COMMUNITY AND ITS MEMBER STATES AND THE REPUBLIC OF SOUTH AFRICA (THE TDCA) ON FROZEN BONE-IN PORTIONS OF FOWLS OF THE SPECIES GALLUS DOMESTICUS

The Minister of Economic Development instructed the International Trade Administration Commission of South Africa (the Commission) to investigate and evaluate an application by the South African Poultry Association (SAPA) for the imposition of safeguard measures in terms of Article 16 of the TDCA.

Article 16 of the AGREEMENT ON TRADE, DEVELOPMENT AND CO-OPERATION BETWEEN THE EUROPEAN COMMUNITY AND ITS MEMBER STATES AND THE REPUBLIC OF SOUTH AFRICA (the TDCA) provides as follows:

"Notwithstanding other provisions of this Agreement and in particular Article 24, if, given the particular sensitivity of the agricultural markets, imports of products originating in one Party cause or threaten to cause a serious disturbance to the markets in the other Party, the Cooperation Council shall immediately consider the matter to find an appropriate solution. Pending a decision by the Cooperation Council, and where exceptional circumstances require immediate action, the affected Party may take provisional measures necessary to limit or redress the disturbance. In taking such provisional measures, the affected Party shall take into account the interests of both Parties."

The application was lodged by SAPA (the Applicant) on behalf of the SA industry. The Applicant alleged that the imports of "bone-in portions of fowls of the species *Gallus domesticus*", classifiable under tariff subheadings 0207.14.91; 0207.14.93; 0207.14.95; 0207.14.96; 0207.14.97; 0207.14.98 and 0207.14.99, from the EU are threatening to cause a serious disturbance in the SA market. A non-confidential copy of the application is available at the Commission's offices for perusal.

Based on the information submitted, the Commission decided to initiate an investigation in accordance with the Commission's Guidelines and Conditions pertaining to an agricultural safeguard application in terms of Article 16 of the TDCA.

PROCEDURAL FRAMEWORK

This investigation is conducted in accordance with the International Trade Administration Act, 2002 (ITA Act) and the Commission's Guidelines and Conditions pertaining to an agricultural safeguard application in terms of Article 16 of the TDCA.

CONFIDENTIAL INFORMATION

Please note that if any information is considered to be confidential, a non-confidential version of the information must be submitted for the public file, simultaneously with the confidential version. In submitting a non-confidential version, the following rules are strictly applicable and parties must indicate:

- where confidential information has been omitted and the nature of such information;
- reasons for such confidentiality;
- a summary of the confidential information which permits a reasonable understanding of the substance of the confidential information; and
- in exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.

This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless indicated to be confidential and filed together with a non-confidential version, will be placed on the public file and be made available to other interested parties.

If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the Commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due). Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.

Subsection 33(1) of the ITA Act provides that any person claiming confidentiality of information should identify whether such information is *confidential by nature* or is *otherwise confidential* and any such claims must be supported by a written statement, in each case, setting out how the information satisfies the requirements of the claim to confidentiality. In the alternative, a sworn statement should be made, setting out reasons why it is impossible to comply with these requirements.
