

INVITATION | APDP2 ROADSHOW ON B-BBEE AMENDMENTS UNDER THE PROGRAMME

ITAC will be conducting a roadshow throughout South Africa's key provinces for the automotive sector, to ensure that the industry participating under the APDP2 is kept abreast of the recent developments in terms of the legislative framework including the information documents.

The objective of the roadshow is to ensure that there is sound understanding among the industry participants of the amendments and the implementation of the B-BBEE requirements for tooling and component manufacturers and the impact thereof as well as the recognition of contributions to the Transformation Fund by participants in the automotive value chain effective from 01 January 2025.

Below is the itinerary for the planned roadshow:

DATE	TIME	VENUE
03 March 2025	09h30 to 14h00	Atlantis Foundries (Cape Town)
04 March 2025	09h30 to 14h00	VWGA (Kariega)
06 March 2025	09h30 to 14h00	Toyota Wessels Institute for Manufacturing Studies (Kloof, Durban)
07 March 2025	12h30 to 15h30	MBSA, East London
13 March 2025	09h30 to 14h00	Bridgestone, Midrand

The policy governing the automotive programme and the administration of the Automotive Investment Scheme ("AIS") resides with **the dtic** whilst ITAC is responsible for the implementation and administration of APDP2, The Automotive Industry Transformation Fund ("AITF") is the custodian managing the Transformation Fund and Equity Equivalent Investment Programme ("EEIP").

The planned schedule of the daily presentation is as follows:
