## NOTICE 816 OF 2018

## INTERNATIONAL TRADE ADMINISTRATION COMMISSION OF SOUTH AFRICA

**SUNSET REVIEW OF THE ANTI-DUMPING DUTY ON UNFRAMED GLASS MIRRORS OF A THICKNESS OF BETWEEN 2MM OR MORE BUT NOT EXCEEDING 6MM ORIGINATING IN OR IMPORTED FROM THE PEOPLE'S REPUBLIC OF CHINA (CHINA): FINAL DETERMINATION**

In accordance with the provisions in the Anti-Dumping Regulations (ADR), any definitive anti-dumping duty shall be terminated on a date not later than five years from the date of imposition, unless the authorities determine, in a review initiated before that date on their own initiative or upon a duly substantiated request made by or on behalf of the domestic industry, that the expiry of the duty would likely lead to the continuation and/or recurrence of dumping and injury.

On 21 July 2017, the International Trade Administration Commission of South Africa (the Commission) notified interested parties through Notice No. 546 of 2017 in *Government Gazette* No. 40998, that unless a substantiated request is made indicating that the expiry of the anti-dumping duty against imports of unframed glass mirrors originating in or imported from China would likely lead to the continuation or recurrence of dumping and injury, the anti-dumping duty on unframed glass mirrors originating in or imported from China would expire on 25 July 2018.

A response to the Commission's sunset review questionnaire was received from PFG Building Glass, a division of PG Group (Pty) (the Applicant), being the only producer of the subject product in the SACU.

The investigation was initiated after the Commission considered that *prima facie* information was submitted to indicate that the expiry of the anti-dumping duty on unframed glass mirrors originating in or imported from China would likely lead to the continuation or recurrence of dumping and the recurrence of material injury.

No properly documented responses were received from any interested party.

Using the best information available, the Commission made a final determination that the expiry of the anti-dumping duty on unframed glass mirrors originating in or imported from China would likely lead to the continuation or recurrence of dumping and the recurrence of injury.

The Commission, therefore, recommended to the Minister of Trade and Industry that the anti-dumping duty on unframed glass mirrors originating in or imported from China be maintained.

The Minister approved the Commission's recommendation. The Commission's detailed reasons for its decision are set out in Commission's Report No. 593 (Final determination report).
